2008 UNITARIAN UNIVERSALIST LEADERSHIP TEAM INSTITUTE

JULY 28 – AUG 3, 2008, Juniata College, Huntingdon PA

SAVE THE DATES – GET IT BUDGETED

UULTI (Unitarian Universalist Leadership Team Institute) is a remarkable week-long residential learning experience to renew faith, embrace congregational growth and change, welcome and nurture all, and fulfill the hopeful loving promise of Unitarian Universalism in the wider world. Individuals will forge new partnerships, teams will be strengthened, and all will be inspired and empowered. Return to your congregation with **practical tools and powerful ideas.**

Who should attend?

Board members, ministers, committee chairs, religious education professionals, treasurers, administrators, musicians, and other current or emerging leaders. In particular:

- Individuals from smaller congregations, encouraged (by discounts!) to form geographically-based learning teams.
- Teams from larger congregations that include lay leaders, part-time or full-time ministers, and all other congregational staff.

Special care will be taken to satisfy the needs of ALL kinds of congregations.

From small to large, stable and transitioning, rural and urban, struggling and thriving . . . AND everyone in between! All congregations benefit from covenanted teamwork. Did you send a team last year? Send the same or another team. Repeat tracks or select alternate ones. Build a critical mass of leaders who share the UULTI experience.

Each participant will select one of five learning tracks.

- **Governance:** Structure community life and polity to “Nurture Your Spirit. Help Heal Our World.”
- **Growth:** Lead to and through change; manage your “break through” and beyond.
- **Lifespan Faith Development:** Enhance faith and action through religious education and small group ministry.
- **Stewardship:** Connect responsibility to vision; awaken interdependence and hope.
- **Worship Arts:** Foster compelling, transcendent experiences; create sacred space for all church activities.

→ **All tracks** address aspects of small, mid-sized, and large congregations.

→ **All tracks** address public witness, community outreach, and social justice.

Each participant will enliven their personal growth journeys by working with experts in:

The Multigenerational Community • Congregations as Dynamic Systems • Leadership as a Spiritual Path
The History of UU Evangelism and Social Action • Anti-Racism, Anti-Oppression, and Multi-Culturalism

Costs will be as close to last year's cost of \$575 as can be managed. **Cost-sharing** by individuals and their congregation is encouraged. **Discounts** will be available for early registrations and individuals that form teams.
